Cheboygan County Habitat
for Humanity

25 YEARS AND COUNTING

Over the past 25 years, Cheboygan County Habitat for Humanity has provided safe, decent, and affordable homes, through housing programs consisting of homeownership and home repairs throughout Cheboygan County.

Over the past fiscal year, our organization has had a change in leadership, took a stand on housing standards and policies locally and in the state, and re-dedicated ourselves to our mission and core tenets. As our organization moves forward, we will be focusing on housing for everyone throughout Cheboygan County by:

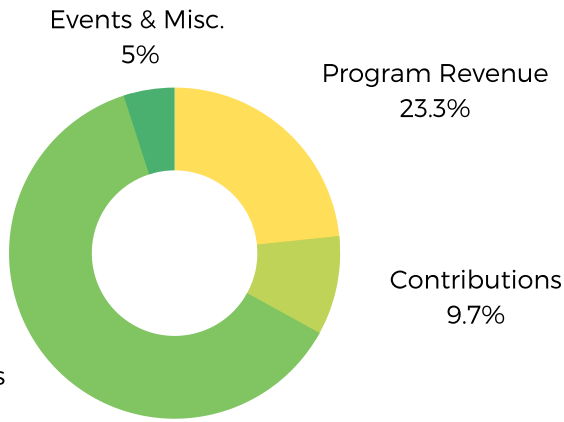

- Focusing on shelter by helping to build, renovate, or preserve homes, and by partnering with others to accelerate and broaden access to affordable housing as a foundation for breaking the cycle of poverty.
- Advocating for affordable housing as a basic human right and work along social, political, and cultural paths to ensure and promote policies that create fair and sustainable housing policy.
- Promoting dignity and hope. We believe that no one lives in dignity until everyone can live in dignity. We believe that every person has something to contribute and something to gain from creating communities in which all people have decent, affordable places to live. We believe that dignity and hope are best achieved through equitable, accountable partnerships.
- Supporting sustainable and transformational development. We view our work as successful when it transforms lives and promotes positive and lasting social, economic, and spiritual change within a community; when it is based on mutual trust and fully shared accomplishment; and when it demonstrates responsible stewardship of all resources entrusted to us.

I hope you join us as a donor, community partner, advocate, ReStore customer, or in any other capacity you can to support housing for everyone in our community.
